**Westside Salmon Announcement 19
Emergency Order 23**

This is the Alaska Department of Fish and Game in Dillingham with an announcement regarding commercial fishing in the Nushagak District. This is Westside salmon announcement number 19 issued Sunday, June 30 at 9:00 a.m.

The department has been informed that a tender sank in the mouth of the Igushik River. There is a high probability of fuel being in the water. The Igushik set gillnet fishery is closed effective immediately. All Igushik set net fishermen should pull their gear as soon as safely possible. If fish are contaminated they should be isolated and destroyed.

Fishermen in the rest of the Nushagak District should be aware of the potential for fuel in the water and the possibility of further fishing restrictions.
